

CHAPTER 12

SECTION 7.2

TRICARE OVERSEAS PROGRAM PRIME - ENROLLMENT

Issue Date: August 20, 1997

Authority: [32 CFR 199.17](#)

I. POLICY

A. In order to receive the TRICARE Overseas Program Prime (TOP) benefits and the special cost sharing provisions of TRICARE Overseas Program Prime, eligible beneficiaries must enroll. Active Duty service members are automatically enrolled; eligible beneficiaries for the TRICARE Overseas Prime program must take specific action to enroll.

B. TOP eligible enrollments shall be performed by the TOP Lead Agent(s), or their designee, and recorded on the Defense Enrollment Eligibility Reporting System (DEERS) through the Composite Health Care System (CHCS). Further, all OCONUS Military Health System (MHS) beneficiaries, including Medicare eligibles over the age of 65, must be registered on CHCS in order to obtain OCONUS health services in MTFs and services from TOP designated Health Care Finders. This is separate from enrollment in TRICARE Overseas Program Prime. TOP eligibles will be given a TOP overseas enrollment card developed by each overseas Lead Agent (see [Enclosure 1](#)).

C. No TOP-eligible beneficiary who resides in a TRICARE Overseas Program region shall be denied enrollment or re-enrollment in, or be required to disenroll from, the TRICARE Overseas Prime program because of a prior or current medical condition.

II. POLICY CONSIDERATIONS

A. TOP beneficiary eligible enrollment may occur at any time and remains effective for the overseas tour length of the sponsor. If the TRICARE Overseas Program Prime is extended to other categories of TRICARE eligibles (i.e., retirees), enrollment is **in twelve-month** period. █

B. TOP beneficiary eligible enrollment may be on an individual or family basis.

C. Enrollment fees are not required at this time for TOP Prime eligibles.

D. TOP Prime enrollees shall be automatically enrolled each year, by the Lead Agent, or his/her designee, unless the TOP enrollee chooses to disenroll in advance of the renewal date.

E. For TOP emergency cases that should be placed under immediate management, TOP MTF Commanders and/or the Lead Agents may approve exceptions on a case-by-case basis

for retroactive enrollment with an effective date not earlier than the first day of the month that the application is submitted.

F. OCONUS MHS beneficiaries who are Medicare eligible or who are not otherwise eligible to enroll in the TRICARE Overseas Program Prime shall register for the purpose of accessing care in the OCONUS MTF and using services of TOP Health Care Finder (HCF) services ([Chapter 12, Section 4.2](#)). This registration is NOT enrollment in the TRICARE Overseas Prime Program and no TRICARE Overseas Program Prime benefits or services (other than access to the services of HCFs and network providers) applies to this beneficiary group.

G. TOP enrollees must either transfer enrollment when they move to another TRICARE Region where Prime is offered (see [OPM Part Three, Chapter 4, Section II.G.](#)) or disenroll. The losing TOP region shall provide continuing coverage until (1) the enrollee applies for enrollment in the new location, or (2) the enrollee disenrolls. The authorization/referral rules for traveling TOP Prime beneficiaries will continue to apply (i.e., preauthorization/referral for care, while traveling in CONUS is not required, CONUS Prime copays, etc.). Claims will continue to be processed by the designated CONUS contractor for processing foreign claims. Point of Service Option is not applicable for TOP Prime beneficiaries during the transient period.

H. TOP Prime enrollees may disenroll from the TRICARE Overseas Program Prime at any time.

I. Disenrollment shall be required when beneficiaries no longer live within the TRICARE Overseas Program region, or when they are no longer eligible for TRICARE.

J. To the extent possible, TOP Lead Agents will follow the enrollment/disenrollment/portability of enrollment requirements outlined in [Chapter 12, Section 1.2](#) and in [OPM Part Three, Chapter 4](#).
